

National Camp
Riddings Wood, Alfreton, Derbyshire 20th – 22 August 2021

**(We did not take any photos of the entry to the camp site as the loose gravel
was too dangerous for two-wheeled passage!!)**

Friday night meal together

Bakewell Methodist Church were kind enough to let us park for a while on our Saturday ride-out.

A quick photo call near Chatsworth House

Sunday morning reflections (the site did not want us to hold a service)

And time to depart

And a few hardy souls stayed an extra night.
